

# ESTADO DE MÉXICO

## TOURIST ROUTES

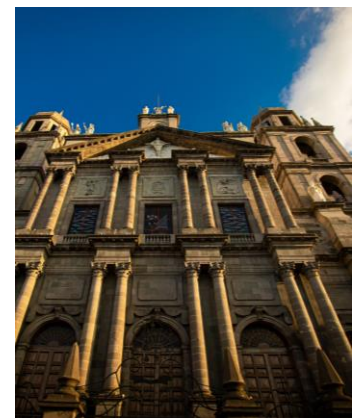

The Estado de México has an extensive territory, as well as a variety of climates, landscapes, and cultural elements; therefore, 6 zones and 7 tourist routes have been developed, to promote all the elements that make EDOMÉX attractive, focused on particular segments, routing Magical Towns, Charming Towns, and Municipalities with tourist vocation, which due to their geographic proximity and affinities are attractive to enjoy the EDOMÉX Experience.

**ROUTE OF THE HEART OF MEXICO**

Fall in love with the Capital of EDOMEX, as you travel along this route enjoying its cultural richness, visiting the imposing Cosmovitral, considered the largest non-religious stained glass window in the world, as well as the Fundadores Science Park, the Planetarium, and the Plaza de los Mártires, an example of Mexico's urban beautification; also enjoy the traditional cuisine such as tortas de los portales, the typical huaraches, chorizo, and mosquitos, as well as its gastronomy in the high cuisine restaurants.

On this route you can visit the Magical Town of Metepec, the Charming Towns of Lerma and Zinacantepec; enjoy the gastronomy of Ocoyoacacac by tasting the tamales, as well as admire the work of making handmade rugs in Temoaya and the Otomí Ceremonial Center, in addition to the mariachi tradition of Calimaya.

**ENERGY AND HEALTH ROUTE**

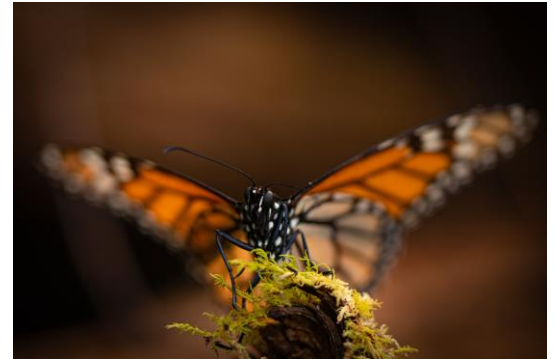

Relax and find yourself in the most mystical region of the state. Live the magic of Malinalco and discover the testimony of its archaeological sites; enjoy the experience of bathing in hot springs in Ixtapan de la Sal; visit Tonatico and marvel at the Grutas de la Estrella; check out the charm of Tenango del Valle and Coatepec Harinas and taste exquisite delicacies or take home a beautiful Mexican shawl, pride, and tradition of Tenancingo.

## **ADVENTURES IN VALLE ROUTE**

Experience the adventure of this region in the Estado de México, where you will witness one of the most impressive migratory phenomena in the world, in one of the 4 sanctuaries that are part of the Monarch Butterfly Biosphere, declared a World Natural Heritage Site.

Get to know the Magic Town of Valle de Bravo and live the adrenaline of practicing water sports, paragliding, hang gliding, ATV, or rZR routes and enjoy its natural beauties to the fullest.

## **GUARDIANS OF THE NORTH ROUTE**

On this route you can enjoy the living culture of the Mazahua and Otomí peoples, the pride of identity of the north of the State of Mexico; you will also get to know its architectural richness and experience a dose of adrenaline in its natural attractions.

Delve into the mining heritage of the Magical Town of El Oro, and take a trip to the past in the Municipal Palace and its charming Juárez Theater; know the dances and crafts of Temascalcingo and San Felipe del Progreso, and enjoy the passage of the monarch butterflies in San José del Rincón, the archaeological heritage of Acambay, the nature of Jocotitlán and the Isidro Fabela Museum in Atlacomulco.

## **LEGENDS OF THE CAMINO REAL ROUTE**

On this route is located one of the four World Heritage Sites in the Estado de México, the Camino Real de Tierra Adentro, which was the path that connected Mexico City with Santa Fe, New Mexico; it functioned as a base for the commercial and cultural growth of the regions through which it passed, with its inns, sentry boxes, inns and churches that are proof of the splendor of this important centuries-old communication route. You will love the magic of Villa del Carbon, its traditional booties and its charro heritage; of Tepetzotlán and its imposing National Museum of the Viceroyalty; Aculco will amaze you with its waterfalls and cobblestone streets; Jilotepec will delight you with its temples and crags, and Polotitlán, where you can taste the delicious cheeses of the region, will welcome you with its beautiful kiosk.

## PLACE OF THE GODS ROUTE

No doubt this route will fascinate you because you will be able to live the experience of admiring the Archaeological Zone of Teotihuacan, which is the most visited in Mexico and the second in the world, besides having the opportunity to fly in a hot air balloon over the millenary pyramids; tour its pulque haciendas, admire the architecture of another World Heritage Site: the Aqueduct of Padre Tembleque; learn about the origin of the traditional piñatas, delight yourself with pre-Hispanic food, prickly pear, and xoconostle sweets; be impressed by the cultural richness of the east of the state and its ancestral traditions.

## ENCOUNTER WITH SOR JUANA ROUTE

This route has everything to make your visit to the Estado de México an unforgettable experience. Get to know the places where the Tenth Muse was born and grew up; go through a labyrinth in the purest European style, be amazed by the fireflies show, know the Christmas tree forests in Amecameca, live the adventure of its hills, admire the architecture of each charming town and taste the delicious chiles en nogada in Tlalmanalco or Tepetlixpa, and, other dishes inherited from the conventual gastronomy. These are just some of the memories you can have when visiting the Volcanoes area.
